Placement M.Tech 2021-23 Batch

BALAKRISHNAN S VILLUPURAM, TAMILNADU
Microchip Technology, Chennai

I am grateful for my M.Tech in Embedded Systems at NIELIT Calicut. The institute provided a supportive learning environment, efficient laboratory facilities, and a comprehensive curriculum that truly helped me to transform as a professional Embedded Engineer. The guidance and support from the faculty were instrumental in my journey. Through their dedicated placement assistance, I also secured an internship opportunity at Microchip Technology, Chennai as an MPU 32 APPS Intern.

MOHAMMED DANISH T C KERALA
Continental Automotive Components India Pvt Ltd, Bangalore

I express my gratitude towards NIELIT, Calicut for enabling me to establish a firm groundwork in engineering, refine my technical proficiencies, and offer me an internship opportunity where I can put my knowledge and skills to practical use. Throughout my academic journey, I was impressed by the faculty's dedication, expertise, and willingness to go the extra mile to support students. The curriculum was well-structured, industry-relevant, and provided ample opportunities for practical learning and personal growth. My time at the NIELIT has been fulfilling and rewarding, and I highly recommend this institution to anyone seeking to pursue higher education in their chosen field.

DHANYA V KOZHIKODE, KERALA
Continental Automotive, Bangalore

I am immensely grateful to be an M.Tech student at NIELIT, Calicut, an exceptional institution that has truly transformed my academic and professional path. The faculty members, who are renowned experts in their respective fields, have been instrumental in shaping my knowledge and skills during my M.Tech programme. One aspect that sets NIELIT Calicut apart is its outstanding laboratories, which provided me with unparalleled hands-on learning experiences. I am particularly grateful to NIELIT Calicut for helping me secure an internship at Continental Automotive, Bangalore as a Software Intern. The internship experience was invaluable, and it further reinforced my passion for my chosen field. I am grateful to NIELIT Calicut for providing me with the necessary skills as well as opportunities that have laid a strong foundation for my career.

HEMANT SHARMA JAIPUR, RAJ
Microchip Technology India, Pvt. Ltd, Chennai

I did my M. Tech in Embedded Systems at NIELIT Calicut. The professors are experts in their respective field and possess wealth of knowledge and experience. They bring their expertise to the classroom, offering deep insights and up-to-date information on the subject. The college provided numerous resources and support services, including libraries, research facilities, career counseling, and internships. These resources played a vital role in shaping my academic and career trajectory, equipping me with the tools and guidance to succeed beyond the classroom. I have acquired a job in Microchip Technology India, Pvt. Ltd, Chennai as Verification Intern through NIELIT Campus Placements. I am thankful to NIELIT and its faculty, for the constant help and support.

GAYATHRI NAIR KOZHIKODE, KERALA
Continental Automotive Components India Pvt Ltd, Bangalore

I am an M.Tech Student in Embedded Systems in NIELIT Calicut. It was a transformative period in my life that provided me with invaluable knowledge, skills, and personal growth opportunities. The college environment fostered an atmosphere of intellectual curiosity, critical thinking, and collaboration. The dedicated and knowledgeable professors challenged me to expand my horizons, think critically, and delve deeper into my areas of interest. The best part of NIELIT is its lab Facilities, it has all the required infrastructure to make us improve in respective fields. In placement point of view, it acts as a bridge to land in good companies and start our career in right direction. I have acquired a job in Continental Automotive Components India Pvt Ltd, Bangalore as Software Architecture Intern through NIELIT Campus Placements. I am thankful to NIELIT and its faculty, for helping me to lay my first step in career.

National Institute of Electronics and Information Technology, Calicut

Placement M.Tech 2021-23 Batch

MANEESHA M KERALA
NXP India, Pvt. Ltd.

I am a recent graduate of the M.Tech program at NIELIT Calicut, and I would like to share my testimonial about my experience at the institute. Studying at NIELIT Calicut has been an incredible journey that has equipped me with the skills and knowledge necessary to excel in my field. The institute offers a highly rigorous and industry-oriented curriculum, which has greatly enhanced my understanding of various technical concepts. One of the standout aspects of NIELIT Calicut is its exceptional faculty. The professors are highly experienced and have deep expertise in their respective domains. They go above and beyond to ensure that the students grasp the subject matter effectively. The faculty members are always approachable, encouraging discussions, and providing valuable insights into real-world applications. The placement assistance provided by NIELIT Calicut is exceptional. The institute has tie-ups with leading companies and organizations, resulting in a high placement rate for its graduates. The dedicated placement cell organizes regular mock interviews, aptitude tests, and group discussions to prepare students for the job market. The training and guidance provided by the placement cell were instrumental in helping me secure internship as Validation engineer in NXP India, Pvt. Ltd..

MAYURA L VIJAYAN KERALA
NXP India, Pvt. Ltd.

Being an M.Tech student in NIELIT, Calicut has been an incredible journey of growth and learning. This program has equipped me with a strong foundation in designing and developing embedded systems. The comprehensive coursework, practical projects, and dedicated faculty have nurtured my skills and expanded my knowledge in this specialized field. Securing an internship opportunity at NXP through my college during my M.Tech in Embedded Systems has been a transformative experience. This internship has provided me with an unparalleled opportunity to apply my theoretical knowledge to real-world projects at a leading industry player like NXP.

MITHUN JOSE KOLLAM, KERALA
NXP Semiconductors Pvt Ltd, Bangalore

I am an M.Tech Student in Embedded Systems in NIELIT Calicut, the faculty here are well experienced and they helped me to understand each and every concept. The best part of NIELIT is it's lab activities, it has all the required infrastructure to make us improve in respective fields. In placement point of you, it acts as a bridge to land in good companies and start our career in right direction. I have acquired an internship in NXP Semiconductors Pvt Ltd, Bangalore as Software Intern through NIELIT Campus Placements. I am thankful to NIELIT and its faculty, for helping me to lay my first step in career.

FATHIMA A S KERALA
Tata Elxsi, Trivandrum

I am extremely grateful to NIELIT Calicut for their outstanding placement services and unwavering support throughout my M. Tech journey in Embedded Systems. Their efforts led to my remarkable placement as an FPGA Intern at Tata Elxsi, Trivandrum, ultimately resulting in a permanent position as a Senior Engineer. The experienced faculty members at NIELIT Calicut played a vital role in my success, imparting profound knowledge and emphasizing both theoretical and practical aspects of the course. Their dedication and mentorship nurtured my potential and prepared me for industry challenges. The well-equipped lab facilities provided invaluable hands-on experience, enhancing my skills and problem-solving abilities. The seamless placement process, collaboration with renowned companies, and comprehensive training programs ensured ample opportunities for students to shine. I express my sincere appreciation to NIELIT Calicut for their instrumental support in shaping my career and recommend it wholeheartedly to aspiring students in the field of embedded systems.

Placement M.Tech 2021-23 Batch

ABHIJITH PM THRISSUR, KERALA
Valeo India Pvt. Ltd

"My experience at NIELIT Calicut during my M.Tech in Electronics Design Technology has been truly transformative. The professors' expertise and insights have shaped my academic journey, while the college's resources, including libraries, research facilities, and career counseling, have provided invaluable support. The exceptional laboratory facilities enhanced my practical skills, leading to a rewarding internship at Valeo India Pvt. Ltd as an Embedded Software Intern. I am immensely grateful to NIELIT Calicut for providing me with the knowledge, opportunities, and guidance that have set the foundation for my successful career."

ANCHITH P ANIL WAYANAD, KERALA
NXP Semiconductors, Bangalore

I am an M.Tech Student in Electronics Design Technology at NIELIT Calicut. The faculty here are well experienced and experts in their subjects, that has helped me in understanding the concepts very well. NIELIT Calicut's exceptional lab facilities has all the required infrastructure to help and improvise our skills in the desired fields. In placement point of view, the institute is a solid foundation in starting our career in the right direction and in good organizations. I have acquired a placement in NXP Semiconductors, Bangalore as Analog Validation Intern through NIELIT Calicut Campus Placements. I am grateful to NIELIT and its faculty, for helping me to lay the first steps of my career in an esteemed organization.

ANURAG K V KERALA
Ignitarium Technology Solutions Pvt. Ltd., Kochi

It was my dream to pursue M-Tech in Electronics Engineering. NIELIT Calicut helped me fulfil this dream. It has provided me with two years of continuous learning and application of knowledge, guided by the greatest minds of our time. I also got a chance to start my career as an embedded engineer intern at Ignitarium Technology Solutions Pvt. Ltd., Kochi. The course offers all level of knowledge, from the basics to industry level. The lab facilities are state of the art which are used for research and development. Their online portal for learning was a huge help during the lockdown period. My experience here has made me a better person and have enabled me to have an improved life.

MALLANGI ASWINI
National Instruments, Bangalore

I am an M.Tech Student in Electronics design technology in NIELIT Calicut. It was a transformative period in my life that provided me with valuable knowledge, skills, and personal growth opportunities. The college environment fostered an atmosphere of intellectual curiosity, critical thinking, and collaboration. The best part of NIELIT is its lab facilities, it has all the required infrastructure to make us improve in respective fields. In placement point of view, it acts as a bridge to land in good companies and start our career in right direction. I have acquired a job in National Instruments, Bangalore as Intern Application Engineer (SEBU) through NIELIT Campus Placements. I am thankful to NIELIT and its faculty, for helping me to lay my first step in career.

National Institute of Electronics and Information Technology, Calicut

Placement M.Tech 2021-23 Batch

MIDHUNA P K KERALA
Tata Elxsi, Trivandrum

I express my heartfelt gratitude for the exceptional guidance and support I received during my M.Tech in Embedded Systems at NIELIT Calicut. As I embark on my journey as a FPGA Intern at Tata Elxsi, Trivandrum, I am reminded of the significant role our esteemed institution played in shaping my career and enabling me to reach new heights of professional success. Looking back on my years at NIELIT Calicut, I am filled with gratitude for the outstanding education, mentorship, and holistic development opportunities that were provided to me. The faculty members at NIELIT Calicut deserve the highest praise for their unwavering dedication and commitment to our education. They not only imparted theoretical knowledge but also emphasized practical applications, preparing us to tackle real-world challenges with confidence. The practical training and industry exposure I received at NIELIT Calicut were truly invaluable in my transition from an FPGA intern to finally resulting to a Senior Engineer. NIELIT Calicut will always hold a special place in my heart, and I am proud to be an alumna of this esteemed institution.

SAHAD IBN M BASHEER CALICUT, KERALA
Ignitarium Solutions Pvt. Ltd.

I am an M. Tech Student in Embedded Systems at NIELIT Calicut. The faculty members at NIELIT are experts in their respective fields, possessing a wealth of knowledge and experience. The college provided well-equipped libraries, advanced research facilities, career counseling, and internship opportunities. These resources played a vital role in shaping my academic and career trajectory, equipping me with the necessary tools and guidance to excel beyond the classroom. I am delighted to mention that through NIELIT's campus placements, I secured internship in AMD India, Pvt. Ltd, Hyderabad as Embedded Software Engineer Intern. I express my sincere gratitude to NIELIT for providing me with a conducive learning environment and empowering me on a successful professional journey.

ANUPRIYA B KERALA
NXP, Hyderabad

I am grateful to be a student at NIELIT, Calicut, a remarkable institution that has truly shaped my academic and professional journey. The faculty members, who were experts in their respective fields, provided invaluable mentorship throughout my M.Tech journey. I owe a debt of gratitude to the outstanding laboratory as well, which gave me priceless first-hand experiences that improved my practical skills. With their guidance, I was able to secure an internship at NXP, Hyderabad as Technical Student Intern. I appreciate NIELIT Calicut for giving me the chances and skills that have helped me start my career.

HARISH JUNUTULA CALICUT, KERALA
Unistring Technologies Pvt. Ltd.

It gives me immense pleasure and I am grateful to be an M.Tech student at NIELIT, Calicut, an exceptional institution that truly transformed my academic to professional path. The faculty members are the major role players who helped us to reshape our knowledge and skills during my M.Tech programme. One aspect that sets NIELIT Calicut apart is its outstanding laboratories, which provided me with unparalleled hands-on learning experiences. I am particularly grateful to NIELIT Calicut for helping me secure an internship at Unistring tech solutions as a RTL design Intern. The internship experience was invaluable, and it further reinforced my passion for my chosen field. I am grateful to NIELIT Calicut for providing me with the necessary skills as well as opportunities that have laid a strong foundation for my career.

National Institute of Electronics and Information Technology, Calicut

RINTUMOL SALU KERALA
Microchip Technology, Chennai

My tenure as a student at NIELIT Calicut in Embedded System was a highly enriching experience. The erudite faculty members, with their expertise and willingness to assist, played a pivotal role in shaping my academic journey. The well- equipped lab facilities provided invaluable hands-on experience, enhancing my skills and problem-solving abilities. In placement point of view, it acts as a bridge to land in good companies to start our career in right direction. NIELIT Campus Placements led to my remarkable placement as a CAE Intern at Microchip Technology, Chennai, ultimately resulting in a permanent position as an Engineer II. I express my sincere appreciation to NIELIT Calicut for their instrumental support in shaping my career as an Embedded Engineer.

UJWALA GRANDHI KAKINADA, ANDHRAPRADESH
Unistring technologies Pvt. Ltd.

I did my M. Tech in Electronics design technology at NIELIT Calicut. The curriculum helped me in getting strong basics of subjects. The lab facilities are of top notch which helped in excelling my practical knowledge. Their short-term courses and remote lab facilities are a big plus. Not only the classrooms but NIELIT Calicut has a beautiful campus making our college life much more cheerful. I got placed in Unistring technologies Pvt. Ltd., Hyderabad as RTL developer Intern through NIELIT Campus Placements. I am thankful to NIELIT and its faculty, for the constant help and support.

PEDDINTI SAI MANOHAR VISAKHAPATNAM
Microchip Technology, Chennai

I would like to express my utmost gratitude to NIELIT Calicut for their support throughout my journey. Pursuing my M.Tech in Electronics Design Technology at NIELIT Calicut has been a transformative experience. The exceptional faculty, advanced labs, and top-notch infrastructure provided by the college played a pivotal role in shaping my skills and knowledge. Thanks to the unwavering support and guidance of the faculty members, I was able to secure an internship at Microchip, which eventually led to a full-time position. I am deeply indebted to NIELIT Calicut for their immense contribution to my success.
